

Installation checklist

In order to start the warranty period, you must send the completed checklist with pictures and service information for the device to technicalsupport@rationalusa.com within 14 days after the installation/commissioning.

You will find detailed information in the original installation manual.

Company (customer):		Contact partner (customer):	
Street		Post code:	
Town:		Phone Number:	
E-mail:		Job number:	
Device serial number:		Serial number oil wagon:	
Company (technician):		Name (technician):	
Date installation:		Date commissioning:	

	Yes:	No:	Comment:
Test seal intact?	<input type="checkbox"/>	<input type="checkbox"/>	
Was the material delivered correct, complete and free from defects (device and accessories)?	<input type="checkbox"/>	<input type="checkbox"/>	

Position and orientation	Yes:	No:	Comment:
Have the side distances to walls, heat sources, open flames and water sources been complied with?	<input type="checkbox"/>	<input type="checkbox"/>	
Are all pans level?	<input type="checkbox"/>	<input type="checkbox"/>	
Are all device covers flush with the pan?	<input type="checkbox"/>	<input type="checkbox"/>	

Water connection	Yes:	No:	Comment:
Is the water connected as required? (Separate tap for each device, 1.5 - 6 bar/22-70 psi, temp. max. 30 °C/86°F)	<input type="checkbox"/>	<input type="checkbox"/>	
Is a separate shut-off valve used for each device?	<input type="checkbox"/>	<input type="checkbox"/>	
Is the shut-off valve accessible for the operator?	<input type="checkbox"/>	<input type="checkbox"/>	
Hot water option: Device connected to hot and cold water?	<input type="checkbox"/>	<input type="checkbox"/>	

Water drain	Yes:	No:	Comment:
Is the drain connected as required? (Heat and steam-resistant pipe, spacing, angle, incline)?	<input type="checkbox"/>	<input type="checkbox"/>	
Is the drain diameter suitable for the device type and has it not been reduced? (2-XS , 2-S = DN 40; L , XL = DN 50)	<input type="checkbox"/>	<input type="checkbox"/>	
Is a fixed drain with siphon, (P trap) installed?	<input type="checkbox"/>	<input type="checkbox"/>	
Is a separate drain used for each device?	<input type="checkbox"/>	<input type="checkbox"/>	
Electrical connection	Yes:	No:	Comment:
Has the connection been carried out in accordance with the installation manual and local regulations? (multi-Phase circuit breaker and main switch accessible?)	<input type="checkbox"/>	<input type="checkbox"/>	
Are the connections for the supply line secure on both sides and connected correctly?	<input type="checkbox"/>	<input type="checkbox"/>	
Is the device connected to a residual current circuit breaker? If yes, enter the type in the comment field.	<input type="checkbox"/>	<input type="checkbox"/>	
Has the connected voltage been tested?	<input type="checkbox"/>	<input type="checkbox"/>	
Fuse (current in A)			

Function test - basic functions	Yes:	No:	Comment:
NOTE: Do not carry out the function test unit not in protected against overload in service mode. Switch to operator mode.			
Raise lid	<input type="checkbox"/>	<input type="checkbox"/>	
Lower lid	<input type="checkbox"/>	<input type="checkbox"/>	
Heat	<input type="checkbox"/>	<input type="checkbox"/>	
Raise pan	<input type="checkbox"/>	<input type="checkbox"/>	
Lowering the pan	<input type="checkbox"/>	<input type="checkbox"/>	
Open pan valve	<input type="checkbox"/>	<input type="checkbox"/>	
Close pan valve	<input type="checkbox"/>	<input type="checkbox"/>	
Water inlet	<input type="checkbox"/>	<input type="checkbox"/>	
Water drain	<input type="checkbox"/>	<input type="checkbox"/>	
Height adjustability	<input type="checkbox"/>	<input type="checkbox"/>	Not used:
Pressure	<input type="checkbox"/>	<input type="checkbox"/>	Not used:
Hot water inlet	<input type="checkbox"/>	<input type="checkbox"/>	Not used:

Instruction	Yes:	No:	Comment:
Has the device been updated to the latest software version?	<input type="checkbox"/>	<input type="checkbox"/>	Software version:
Is the correct service provider telephone number, time and date set?	<input type="checkbox"/>	<input type="checkbox"/>	
Has the customer been informed of the risks of using the hand shower during deep frying?	<input type="checkbox"/>	<input type="checkbox"/>	
Has the customer been informed of the maximum fill quantities during pressure cooking (if applicable)? (2-XS= 17 l, L = 80 l, XL = 120 l)	<input type="checkbox"/>	<input type="checkbox"/>	
Has the customer been informed that fire extinguishing equipment may be required depending on country-specific regulations?	<input type="checkbox"/>	<input type="checkbox"/>	
Has the customer been informed of the importance of regular cleaning and maintenance of the device?	<input type="checkbox"/>	<input type="checkbox"/>	
Has the customer been informed of the need to replace wear parts regularly? (E.g. seal, pan valve)	<input type="checkbox"/>	<input type="checkbox"/>	
Has the customer been advised to clean the pressure circuit (if applicable)? (Minimum: once a week)	<input type="checkbox"/>	<input type="checkbox"/>	

ConnectedCooking:	Yes:	No:	Comment:
Has the customer been informed about ConnectedCooking?	<input type="checkbox"/>	<input type="checkbox"/>	
Is connection to ConnectedCooking possible (QR code display)?	<input type="checkbox"/>	<input type="checkbox"/>	
Overall installation	Yes:	No:	Comment:
Does the installation correspond to the requirements in the installation manual and the local regulations?	<input type="checkbox"/>	<input type="checkbox"/>
